

DEVON GARDENS ELEMENTARY SCHOOL

Dear Parents:

The staff of Devon Gardens Elementary would like to welcome you to **Parent Connect**. Parent Connect is an internet accessible program where you, as a parent or guardian, can access and/or update demographic information pertaining to your child. By logging onto Parent Connect, parents have the ability to update their personal contact information, view their child's attendance records and their report card history. You will also use Parent Connect to book your child's Parent/Teacher and Student Led Conferences.

To retrieve your Parent Connect assigned password for the first time click on Forgot My Password and fill in your email address and the system will email you your password.

If you did not provide the school with an email address please contact the school at 604-581-6185 for more information on accessing Parent Connect

Please take the time to log on to Parent Connect when you receive this letter and change your password and have a look around the pages – detailed instructions are available by clicking on the Help Tab. If you have other children attending Devon Gardens, it is a good idea to have the same password for all your children. It might be an idea to save the web address to Parent Connect to your favorites list. It is important to update all changes to your family demographics and contact information as soon as possible as it changes throughout the school year.

The following forms will be posted to Parent Connect in September 2016 for you to review and authorize. It is mandatory that all these forms be reviewed and responded to by parent/guardians.

- Personal Information Consent Form
- Outside Media In Schools
- Walking Field Trips Permission
- B.C. Fruit and Vegetable Program Permission

More information regarding this will be emailed home in September. If you have any questions, please do not hesitate to call the school office at 604 581-6185.
